

DELIVERING THE KIND OF CLEAN THAT'S GOOD FOR BUSINESS

Heightened Cleaning and Disinfecting Protocols and Guest Satisfaction are more important than ever.

ECOLAB CAN HELP YOU DELIVER ON BOTH.

Ecolab is pleased to collaborate with Wyndham Hotels & Resorts (WH&R) in support of the Count on Us® Initiative to help deliver cleaner and safer hotel guest and employee experiences.

Count on Us®
to put safety first

ECOLAB BENEFITS

- 2020 promotional pricing for newly required Ecolab items tied to the Count on Us® Initiative Brand Standards.
- Oasis Pro™ Integrated Dispensing and Dilution System (provided and installed at no additional charge) designed to deliver proper disinfection and ensure product effectiveness.

COUNT ON US® Initiative Brand Standards Requirement

WH&R will require the consistent use of Ecolab's EPA-registered disinfectant products in all hotel guest rooms and public spaces across the U.S. by September 1, 2020. Full brand standard details were announced as part of the June 1, 2020 Count on Us® Initiative Brand Standards (standard #100.02.36).

HOW TO GET STARTED

Existing Ecolab Customers

1. Fill out the Ecolab survey [here](#)
 - a. Survey generates an email with the property level document that needs to be filled out for proper alignment/setup
2. Await follow up from your Ecolab representative
3. Contact your WH&R Operations representative with questions.

New Ecolab Customers

1. Contact your WH&R Operations representative to get started.
2. An Ecolab representative will schedule an onsite appointment to review and discuss:
 - a. Location water conditions
 - b. Recommended products
 - c. Installation details for Oasis Pro™ Integrated Dispensing and Dilution System
3. Schedule a follow up visit for installation and staff training

(WH&R) or its subsidiaries, and are provided for your consideration. Please check with the suppliers to confirm that the products and services meet your standards (as you have full and complete control over, and responsibility for, your contracts, operations, employment practices, and safety and security of your property) and those standards required by applicable law (as requirements and guidelines of authorities are constantly being updated). Neither WH&R nor its subsidiaries are responsible for the accuracy or completeness of any statements made in this guide, the content of any advertised products and services (including the text, representations and illustrations) or any material on the listed suppliers', including Ecolab's websites to which the guide provides a link or a reference. Your access to and use of such third party websites and applications, and any correspondence or transactions that you may enter thereon, are exclusively governed by the terms of use and policies of those websites and applications. We provide links to third party websites and applications for your convenience and information only, and you use them at your own risk. Please refer to the applicable brand specifications for your property prior to purchasing products. Nothing herein constitutes an offer, commitment or obligation of any kind on the part of WH&R and WH&R disclaims any liability associated with any purchase or use of the products or services offered by the suppliers and distributors.

**REQUIRED to meet Count on Us®
Initiative Brand Standards
(standard #100.02.36)**

1. DISPENSING SYSTEM

Oasis Pro™ Integrated Dispensing and Dilution System

Ultra-concentrated products with integrated dispensing control. Revolutionary packaging eliminates employee contact with concentrated solutions.

2. PEROXIDE MULTI SURFACE CLEANER AND DISINFECTANT

Peroxide Multi Surface Cleaner & Disinfectant
6100791 2/2 L

EPA-Reg. No. 1677-238

EPA-registered hospital grade disinfectant. Streakfree performance on high touch point hard surfaces, glass, and mirrors.

**Kills SARS-CoV-2 in 30 seconds¹
Kills Norovirus in 45 seconds²**

1 When used according to the directions for use. Refer to EPA master label under #1677-238. This use is approved by EPA. Approvals by state regulators are still in progress.

2 When used according to the directions for use. Refer to EPA master label under #1677-238.

3. BATHROOM CLEANER AND DISINFECTANT (choose one)

66 Heavy Duty Alkaline Bathroom Cleaner and Disinfectant
6110158 2/2 L

EPA-registered hospital grade disinfectant that removes common soils and heavy soap scum on tubs, showers, counter tops, toilets, sinks, and other hard surfaces. Will not damage PVD coated finishes.

73 Disinfecting Acid Bathroom Cleaner
6101040 2/2 L

EPA-registered hospital grade disinfectant that removes hard water build-up and soap scum on tubs, showers, counter tops, toilets, sinks, and other hard surfaces. Disinfects in five minutes and sanitizes in 90 seconds.

Additional Optional Oasis Pro™ Products

CLEANER AND DISINFECTANT

Save time and muscle stress with the pump action dispenser for use with Scrub Free Bathroom Cleaner and Disinfectant.

Scrub Free Bathroom Cleaner and Disinfectant
6101798 2/2 L

EPA-registered bathroom cleaner delivers five minute hospital-grade hard surface disinfection. Formulated for daily use to remove hard water buildup and soap scum. Effective against Norovirus, mold, mildew, and fungi.

Scrub Free Pump Foamer
